RPG Maker MV - M-DRIVE 16-bit Music Pack Size:

40 MB.

A-Rage is a group from Japan formed of veteran game music makers - producers, composers, arrangers. If you want some incredibly high-quality, reliable game music, A-Rage is your only choice.

A-Rage also writes music for movies, commercials, dramatic animations, and probably much more. They put their all into this project, and we're very happy and proud to have them on board.

This pack includes the music files from all the songs from the trailer:
