We hope you enjoy it!Details PLUTUS L-E-M-L-U-S is a single-window, single-operator, relatively cheap, fully functional, mid- to long-range piece with a straight, progressive action. This pistol is not designed for a very high volume of shots. It is an economical and convenient alternative to the AR, especially for the connoisseur. The PLUTUS is available in.224 and.243; minimum weight requirement is 130 grams. Shooting Configurations and Components: The PLUTUS comes configured with a Magpul ACS and ACOG optic. However, due to the popularity of the gun, we have designed a variety of other optic configurations and calibers. Many of our optic shooters have used our M4s with Trijicon RMRs, STI Riflescopes, and Surefire Sights. Please Note: This pistol is made to order. When you place an order and make payment, the gun will not be shipped at the time of placing the order. Production of the gun will begin as soon as the money is received. Once it is complete, it will ship to your FFL dealer in several weeks. If you are unable to wait until the gun arrives, you can pay in full and lock in a 5-9 week wait time. The gun will be shipped
